Accommodation at Gaia Oasis Pantai Beach Resort:

Because of the limited availability of rooms directly by the ocean, it is only possible to share a room there; either with one or two people.

If you would like a single room, there are a few available rooms a little away from the beach in another place called Villa Aditya. Gaia Oasis can arrange the booking of the rooms there, and you can then pay for food and use of the Gaia facilities separately to Gaia Oasis.

We do recommend to arrive on the island a few days before the seminar starts, if possible, to relax and adjust to the change of time and climate. Please get in touch with Gaia Oasis to inquire about availability of rooms before or after the seminar. Or you may decide to spend a few days in the south where the airport is or in Ubud in the middle of the island, before driving to Gaia Oasis.

How to reach Gaia Oasis

Gaia Oasis is available to arrange transportation from the airport or from any other location on the island. Other taxis do have a hard time finding it, so it is a good idea to arrange the transportation with them.

They will also have the arrival information of other participants and often it's possible to share a car.

Gaia Oasis is app. 3 hours from the airport.

The price for a one way transfer from the airport is IDR 870.000 (approx. US\$65) for the car, i.e. max. 4 persons including luggage.
