How to reach Gaia Oasis

Gaia Oasis is available to arrange transportation from the airport or from any other location on the island.

They will also have the arrival information of other participants and often it's possible to share a car.

Gaia Oasis is approx. 3 hours from the airport. The price for a one way transfer from the airport is approx. US\$90 for the car, i.e. max. 4 persons including luggage.

We do recommend arriving on the island a few days before the seminar starts, if possible, to relax and adjust to the change of time and climate. Please get in touch with Gaia Oasis to inquire about availability of rooms before or after the seminar. Or you may decide to spend a few days in the south where the airport is, or in Ubud in the middle of the island, before driving to Gaia Oasis.

HOW TO BOOK:

1. Pay the deposit of the seminar fee of US\$1,000 (after any transfer fees)

Please see the attachment for how to pay using Wise International transfer service. (this is the cheapest way to transfer between currencies. Or you can use Revolut or any other transfer service.)

Please write: “LLIP” in the subject line.

Please write to Tameer for any issues with using Wise.
